   www.surveymonkey.com/r/CEC_HealthRiskAssessment
3. Schedule and attend initial wellness visit: Lab and HRA must be completed prior to this appointment

May 1, 2021 through July 31, 2021

1. Second wellness visit (if applicable)
2. Any new hires (after April 30th) must have lab draw, H.R.A, and first visit scheduled and attended by 7-31-2021 in order to be eligible for primary disbursement

August 1, 2021 through October 31, 2021

1. Third wellness visit (if applicable)
2. New hires between 5-1-2021—7-31-2021 must have all required wellness visits completed by 10-31-2021
3. New hires after 7-31-2021 will not be eligible for wellness contributions for 2021

All participating employees and their spouses must have all required wellness visits completed in order to receive disbursements.

Those who have completed all required visits prior to 7-31-2021 will receive final H.S.A. contributions from the City prior to the 10-31-2021 deadline (will not have to wait until the third deadline date to receive final disbursement).

The same rules apply for participating retirees and their spouses.

Make sure to notify the clinic staff **when scheduling** your appointment that it is for your **wellness visit(s).** If you are unsure of a clinic visit counting toward a wellness visit, please **ASK** the clinic staff!
