READ INTO THE RECORD BY MIKE CLARK

CONCLUSION

Based on the foregoing, it is my opinion that the Department acted contrary to the APRA if it failed to provide a full and complete police log as required by I.C. & 5-14-3-5. Specifically, if the only information provided was the single log sheet that was submitted with your formal

complaint, the Department would have not complied with the requirements of the law. As to all other issues, it is my opinion that the Department did not violate the APRA.

Best regards,

Joseph B. Hoage

Public Access Counselor

Chief Clark also added that the Pharos Tribune was presented with 26 pages of the police log. Clark also indicated this information would be placed on the City's Web Site. Chief Clark also presented the Resignation of Brandon Bonnell. Clark spoke highly of the credentials for Bonnell.
