Independent Contract for Services Tower Park Pool Project Mayor Franklin made a motion to approve the contract. Ron Miller seconded the motion. Motion carried 3-0.

Jeff Larrison, United Consulting Engineers---Larrison.....I have for your review the construction inspection agreement, the final segment of the contract for the 18th Street/Main Street improvement. Good news.....this agreement is for \$194,000 which 80% will be paid by INDOT. The budgeted amount for this portion of the project is \$264,350. This is significantly below budget estimate right now. Again, 80% of this portion of the project will also be paid by INDOT. What it is right now...is an agreement that INDOT has drafted for construction inspection projects that are federally funded, that include our fees, man hour justification, certification of companies' overhead rates, project scope and schedule. The scheduled start day is Oct. 2 of this year. The end date is July 19th, 2016. All of this is contingent on us being able to secure those final parcels for the right of way. We are working on that. Once the board has verbally approved this, the packet will be forwarded to INDOT. If it meets with their approval they will then contact the City of Logansport, Dan Williams, and he will give us the green light to prepare the final documents. At that time, the Board, if approved, will sign the agreement. Mayor Franklin made a motion to take this agreement under advisement for one week. Ron Miller seconded the motion. Motion carried 3-0.
