Community Development Motto

To cherish our citizens within the community who remember how it was, as it is, and as what it will become

To desire and create improvements for today, tomorrow and in the future opportunities

To work with those who step up and carry along those who do not realize until tomorrow what we have

FREQUENTLY ASKED QUESTIONS;

1. Do you need a permit to install a fence?

No, as long as you install fence on your property and the height meets the Ordinance requirements, a permit is not required.

2. How do I know if a contractor is licensed or registered?

We have on file a complete list, if you call our office we can answer. We will also be posting the complete list once a year, beginning in February in the local newspaper

3. As a rental tenant, who do I call for assistance or advice as it relates to property conditions

You call any one of the inspection officials, who has full authority to answer or react to your needs.

Community Development

Our City Ordinances are intended to encourage the growth and development of the City in accordance with the Logansport Comprehensive Plan, the fringe Comprehensive Plan and for the following purposes

- To promote the public health, safety, comfort, morals, convenience, and general welfare of the city citizens
- To plan for the future development of the City for all citizens
- Insure that the growth of the community is commensurate with and promotive of the efficient and economical use of public funds
- That the needs of agriculture, industry, and business be recognized in future growth
- To desire and create improvements for today, tomorrow and in future opportunities

City of Logansport Guide Lines

ZONING

Action involves the regulation of the use and development of real estate, this for the preservation and prudent use of our community.

LICENSING

City of Logansport provides formal permission or other constituted authority to do something, as to carry on some business or profession.

We the City of Logansport require licensing and or registration of electricians, contractors and or special professionals. This is to insure all parties working or doing business within the city limits are insured and prove they have a minimum of qualification to perform their respective trades. All for the benefit and protection of general public.

PERMITS

“no structure, improvement, or Use of land may be altered, changed, placed, erected, or located on lands, unless the structure, improvement, or use and its location conform and an improvement location permit (ILP), has been issued”

INSPECTIONS

Building Department, Code Enforcement, Electrical Inspection, and Fire Inspection services are all provided to the citizens of the City of Logansport.

These departments are on call for any questions, concerns or threats to the citizens of Logansport.
