

## Free Compost and Mulch

load your own  
by 5 gallon bucket or a pick-up load

Logansport Street Department  
612 Race Street  
7:00 AM – 3:15 PM

The Street Department seasonally collects yard waste and brush to create compost and mulch that is made available to residents free of charge Monday – Friday, 7:00 a.m. to 3:15 p.m. from April 1st through November 30th.

LEAVES, GRASS CLIPPINGS, PLANTS (yardwaste): Residents can also place yard waste in a **2-ply, biodegradable, 30 gallon paper bag** that can be purchased at several local hardware stores; this is the **only approved receptacle the Public Works Department will pick up**. Yard waste bags will be picked up on the same day and same location as your household trash pick-up from April 1<sup>st</sup> until November 30<sup>th</sup>. After November 30<sup>th</sup>, pick up is by request only – call the Public Works/Street Department at 574-753-4610.

YARDWASTE: BIODEGRADABLE BAGS ONLY/PLASTIC BAGS  
WILL NOT BE PICKED UP BY THE STREET DEPT.

- Bags must be less than 50 pounds
- Leaves, grass clippings, plants, flowers, and small trimmings may be placed in the bags
- ***No dirt, rocks, walnuts, animal feces, trash or plastic in the bag!***

LOOSE BRUSH: Tree and bush trimmings are picked up on an every-other week basis, weather permitting.

- Brush piles should be stacked with butt ends facing the street or alley
- Stack the piles in an area where the Street Department dump trucks can easily maneuver
  - Do not stack piles of brush under guy wires or low hanging limbs, etc.
- Brush should be no longer than 6 ft. in length and neatly stacked
- Logs and brush should be stacked separately

If your pile is too large or too tangled, it will be picked up with a loader after the regular brush routes are finished.

If you pay someone to cut or trim your trees or do your yard work, they are considered to be a contractor and are responsible for hauling it away.

**\*Contractor work will NOT be picked up by the Street Department**
